A short introduction...

I am Daan Walder, a digital designer specializing in social and digital design. My aim is to combine these two disciplines to create effective solutions that address real-world challenges. With expertise in graphic design, web design, and interaction design, I provide engaging and meaningful experiences. I work from a holistic perspective, considering both the client and the target audience to create designs that are not only aesthetically pleasing but also serve a greater purpose.

My core values...

Creativity	Curiosity
Empathy	Interdisciplinarity
Inclusivity	Open-mindedness

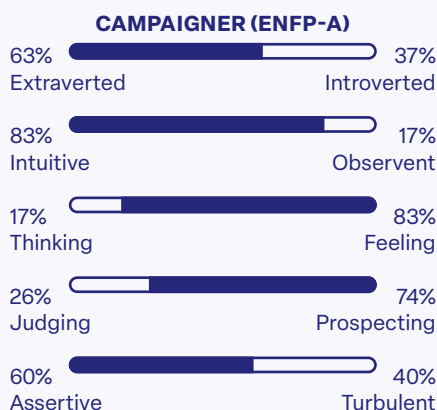

My hobbies...

Painting	Bouldering
Reading	Philosophy
Gardening	Traveling

What interests me...

New Media Art	Specialty Coffee
Contemporary Art	Social Design
Anthropology	Speculative Design

My (MBTI®) personality...

2016

My skills...

Digital Design

Proficiency designing (interactive) digital products, systems, and services. Mainly focussing on graphic design and web design.

Prototyping

Experience prototyping ideas and iterating in Figma, Adobe XD and Sketch.

Adobe Creative Suite

Skilled in Photoshop, Illustrator, InDesign, XD, After Effects.

Design Thinking

Ability to follow and lead a design process from beginning to end.

Notable work experiences...

Barista

Coffeecompany - Amsterdam
2022 - 2023

During my tenure as a barista at Coffee-company, I honed my passion for crafting specialty coffee beverages and building strong customer relationships. My expertise includes proficiently operating espresso machines, providing personalized recommendations, and creating a warm and inviting café ambiance. I took pride in preparing and serving a diverse range of coffee beverages, from classic favorites to unique specialty drinks, consistently meeting Coffeecompany's high standards for taste and presentation.

Founder & Co-Owner

AZOTH Events & Club Mesh - Nijmegen
2021 - Present

As the founder of AZOTH, I have spearheaded a platform that focuses on organizing events and hosting a bi-monthly radioshow at Open Source Radio, primarily serving the LGBTQIA+ community in and around Nijmegen. Over the course of two years, AZOTH has quickly risen to become a leading voice in advocating for a more inclusive and diverse nightlife scene in Nijmegen. My contributions and dedication to AZOTH have also led me to the position of co-owner at Club Mesh. This journey has enabled me to refine critical skills in project management, creative direction, and team collaboration.

Digital Designer

Freelancer - Amsterdam
2019 - Present

As a highly skilled and experienced freelance digital designer, I excel in creating visually captivating websites, interfaces, identities, and graphics. My expertise lies in graphic design, web design, and interaction design, allowing me to craft engaging and purpose-driven experiences for diverse clients. Whether working with non-profit organizations or small businesses, I am committed to designing with a clear purpose in mind, ensuring that every project I undertake delivers effective and impactful results.
